INSTRUCTIONS TO THE BIDDERS

1.0 SITE INFORMATION

The work involves construction of rigid pavement along with footpath and portico for southwest entry of the International Center guest house at Nalanda University Main Campus, Rajgir Bihar.

2.0 The tender shall be accompanied with the following documents:

2.1 Proof of submission of EMD, and Tender Form Fee and copies of certificates of prequalifying documents as specified in the NIT shall be uploaded in the e-procurement portal as mentioned above.

2.2 Price bid duly filled in and compiled with rates quoted as percentage below/above/ at par with the rates entered in the Schedule of quantities and total amount tendered as per the prescribed format digitally signed by the authorized signatory shall be uploaded separately under packet 2 (Price Bid).

2.4 Technical tender documents submitted by intending bidders shall be opened only of those bidders, whose Earnest Money Deposit and Tender Processing Fee and other documents placed in the Packet 1 are found in order.

2.5 Copy of Certificates of PAN card, GST Registration should be submitted along with the bid.

2.6 The tender submitted shall become invalid if:

2.6.1 The bidder is found ineligible; or

2.6.2 The bidder fail to upload all the documents as stipulated in this tender document.

2.6.3 The bidder does not deposit EMD and tender processing fee as prescribed above.

2.6.5 If a tenderer does not quote any percentage above/below on the total amount of the tender in the percentage rate tender, the tender shall be treated as invalid and will not be considered as lowest tenderer.

3.0 The contractor whose bid is accepted will be required to furnish performance security of 5% (Five Percent) of the tendered amount within three working days. This performance security shall be paid in the form of NEFT/RTGS. In case the contractor fails to deposit the said performance security within the period as indicated above, including the extended period if any, the Earnest Money deposited by the contractor shall be forfeited automatically without any notice to the contractor. The earnest money deposited along with tender shall be returned after receiving the aforesaid performance security.

- 4.0 Intending bidders must inspect and examine the Site and its surroundings and satisfy themselves before submitting their tenders to clearly understand the nature of the work for which they are tendering for. A bidder shall be deemed to have full knowledge of the Site whether an inspection has been undertaken by the bidder or not and no extra charge consequent on any misunderstanding or otherwise shall be allowed in the amount quoted in the tender. The bidder shall be responsible for arranging and maintaining cost of all materials, tools & plants, water, electricity, access, facilities for workers and all other services required for executing the Work unless otherwise specifically provided for in this document and/or the agreement and/or any other letter, circular, notification issued or document released by NU. Submission of a tender by a bidder implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the Work to be executed and of conditions and local conditions and other factors having a bearing on the execution of the Work.
- 5.0 Owner is not bound to accept the lowest or any other tender and reserves to itself the right to reject any or all the tenders received without assigning any reason thereof. Owner also reserves the right to restrict the list of qualified contractors to any number deemed suitable by it, if too many tenders are received satisfying the laid down criteria. All tenders in which any of the prescribed conditions are not fulfilled or any condition including that of conditional rebate is put forth by the bidder shall be rejected summarily. Tenders subject to any conditions proposed by the bidder shall not be accepted and shall be liable to be rejected.
- 6.0 Canvassing either directly or indirectly, in connection with tender is strictly prohibited and the tenders submitted by the bidders who resort to canvassing shall be liable to be rejected.
- 7.0 Nalanda University reserves the right of accepting the whole or any part of the tender and the bidders shall be bound to perform the same at the quoted rate.
- 8.0 The bidder shall intimate the names of persons who are or were working in any capacity with the bidder or are subsequently employed by the bidder and who are or have been an officer in NU.
- 9.0 The contractor shall not be permitted to tender for this work if his near relative is employed by Nalanda University in any capacity. He shall also intimate the names of persons who are working with him in any capacity or are subsequently employed by him and who are near relatives to any officer in Nalanda University or in the

Ministry of External Affairs. Any breach of this condition by the contractor would render liable to be debarred from participating in tender process.

10.0 No engineer of Gazetted rank or other Gazetted officer employed in Engineering or Administrative duties in an Engineering department of Government of India is allowed to work as a contractor for a period of one year after his retirement from Government service, without the previous permission of the Government of India in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found to be such a person who had not obtained permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.

11.0 The tender for the Work shall remain open for acceptance for a period of 120 days from the date of opening of Technical tender. In case any bidder withdraws its tender before the end of sixty days or issue of letter of acceptance, whichever is earlier, or makes such modifications in the terms and conditions of the tender which are not acceptable to the University, then the Competent Authority at Nalanda University shall, without prejudice to any other right or remedy available under the contract or law, be at liberty to forfeit 50% of the EMD. Further, such bidder shall be debarred from participating in the re-tendering process of the Work.

12.0 TIME SCHEDULE:

12.1 The time allowed for carrying out the Work shall be 10 days from the date of issuance of work order or execution of the Contract Agreement whichever is earlier.

13.0 PERCENTAGE RATES:

14.1 The percentage rates quoted by the Contractor are deemed to be inclusive of site clearance, setting out work, profile, setting lay out on ground, establishment of reference bench mark(s), installing various signage, taking spot levels, survey with total station, construction of all safety and protection devices, compulsory use of helmet and safety shoes, and other appropriate safety gadgets by workers, imparting continuous training for all the workers, barriers, preparatory works, construction of clean, hygienic and well-ventilated workers housings in sufficient numbers as per drawing supplied by Engineer in charge, working during monsoon or odd season, working beyond normal hours, working at all depths, height, lead, lift, levels and location etc. and any other unforeseen but essential incidental works required to complete this work. Nothing extra shall be payable on this account and no extension of time for completion of work shall be granted on these accounts.

- 14.2 The rates quoted by the bidder, shall be firm and inclusive of all taxes and levies as applicable (including GST and all other taxes and levies, Royalty & Seigniorage charges whichever is applicable on the last date of receipt of tender). Labour cess applicable as per relevant Central/State laws will be deducted from every bill of the contractor and deposited to respective Government department. The ESI and EPF contributions on the part of employer in respect of this contract shall be paid by the contractor. These contributions on the part of the employer paid by the contractor shall be reimbursed by the University to the contractor on actual basis. Effect of any tax due to new legislation shall be adjusted accordingly as per actual on production of documentary proofs of payment of such tax to concerned Government departments.
- 14.3 No foreign exchange shall be made available by the Owner for importing (purchase) of equipment, plants, machinery, materials of any kind or any other items required to be carried out during execution of the work. No delay and no claim of any kind shall be entertained from the Contractor, on account of variation in the foreign exchange rate.
- 14.4 All ancillary and incidental facilities required for execution of work like labour camp, stores, fabrication yard, offices for Contractor, watch and ward, temporary ramp required to be made for working at the basement level, temporary structure for plants and machineries, water storage tanks, installation and consumption charges of temporary electricity, telephone, water etc. required for execution of the work, liaison and pursuing for obtaining various No Objection Certificates, completion certificates from local bodies etc., protection works, testing facilities / laboratory at site of work, facilities for all field tests and for taking samples etc. during execution or any other activity which is necessary (for execution of work and as directed by Engineer-in-Charge), shall be deemed to be included in rates quoted by the Contractor, for various items in the schedule of quantities. Nothing extra shall be payable on these accounts. Before start of the work, the Contractor shall submit to the Engineer-in-Charge, a site / construction yard layout, specifying areas for construction, site office, positioning of machinery, material yard, cement and other storage, steel fabrication yard, site laboratory, water tank, etc.
- 14.5 For completing the work in time, the Contractor might be required to work in two or more shifts (including night shifts). No claim whatsoever shall be entertained on this account, not with-standing the fact that the Contractor may have to pay extra amounts for any reason, to the labourers and other staff engaged directly or indirectly on the work according to the provisions

of the labour and other statutory bodies regulations and the agreement entered upon by the Contractor with them.

14.6 All material shall only be brought at site as per program finalized with the Engineer-in-Charge. Any pre-delivery of the material not required for immediate consumption shall not be accepted and thus not paid for.

14.7 Rate shall include Liaison work required, if any, in this regard with the local bodies. Nothing extra shall be payable on this account. Statutory charges, fees etc. required to be paid to the local bodies in this connection shall only be payable by the Owner or shall be reimbursable to the contractor on production of proof of actual payment made by him.

15.0 The Site shall be handed over to the successful bidder at the time of award of contract on “as is where is” basis.

16.0 The tender documents consisting of drawings, specifications, schedule of quantities of the various classes of work to be done and the set of terms & conditions of contract to be complied with and other necessary documents can be seen on the website of NU at www.nalandauniv.edu.in, <https://nalandauniv.ewizard.in> and also at <https://eprocure.gov.in/epublish/app>.
