

Important Update for International Applicants for Studies at the University:

All international students who have received an Admissions Offer Letter for pursuing studies at Nalanda University, India should note that they are required to register and submit their application through the **Study in India (SII) Portal** <Link: <https://www.studyinindia.gov.in/>> to obtain their **SII-Student Token Tracking (STT) Number**.

Please note that the **SII-STT Number is mandatory for processing your student visa application**. Therefore, you are requested to complete your registration on the SII Portal at the earliest and obtain your STT Number before proceeding with your visa application.

We advise you not to delay this process, as obtaining the SII-STT Number is an essential step for timely visa processing.

If you have any questions or require assistance with the SII registration process, please feel free to contact the Admissions Office.
